Please tell us how tonight's presentation affected your views of the PRESENTER WHOSE POLITICS OR PARTY AFFILIATION WERE MOST DIFFERENT FROM YOUR OWN by circling the best answers to the following questions:

How much better do you feel you know this public figure after tonight?

How much more confident are you that you could have a constructive conversation with this presenter after tonight?

Even if you don't share his/her views, how much more or less likely are you to consider what he/she has to say politically after tonight?
