Evaluation Responses

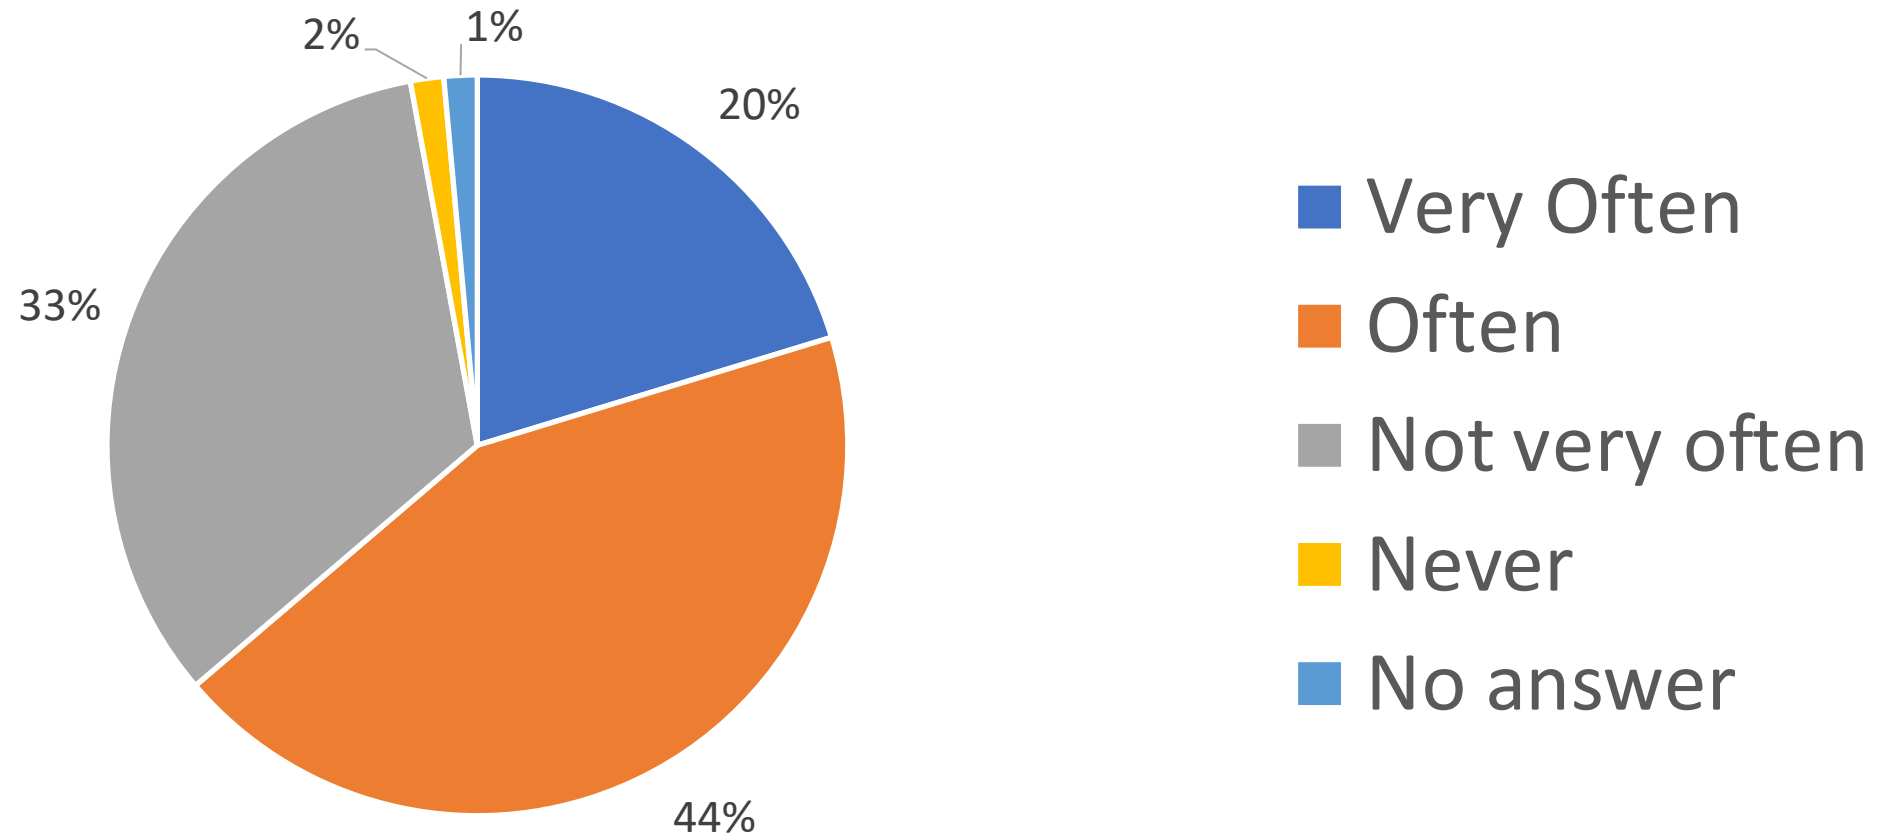

## Numbers

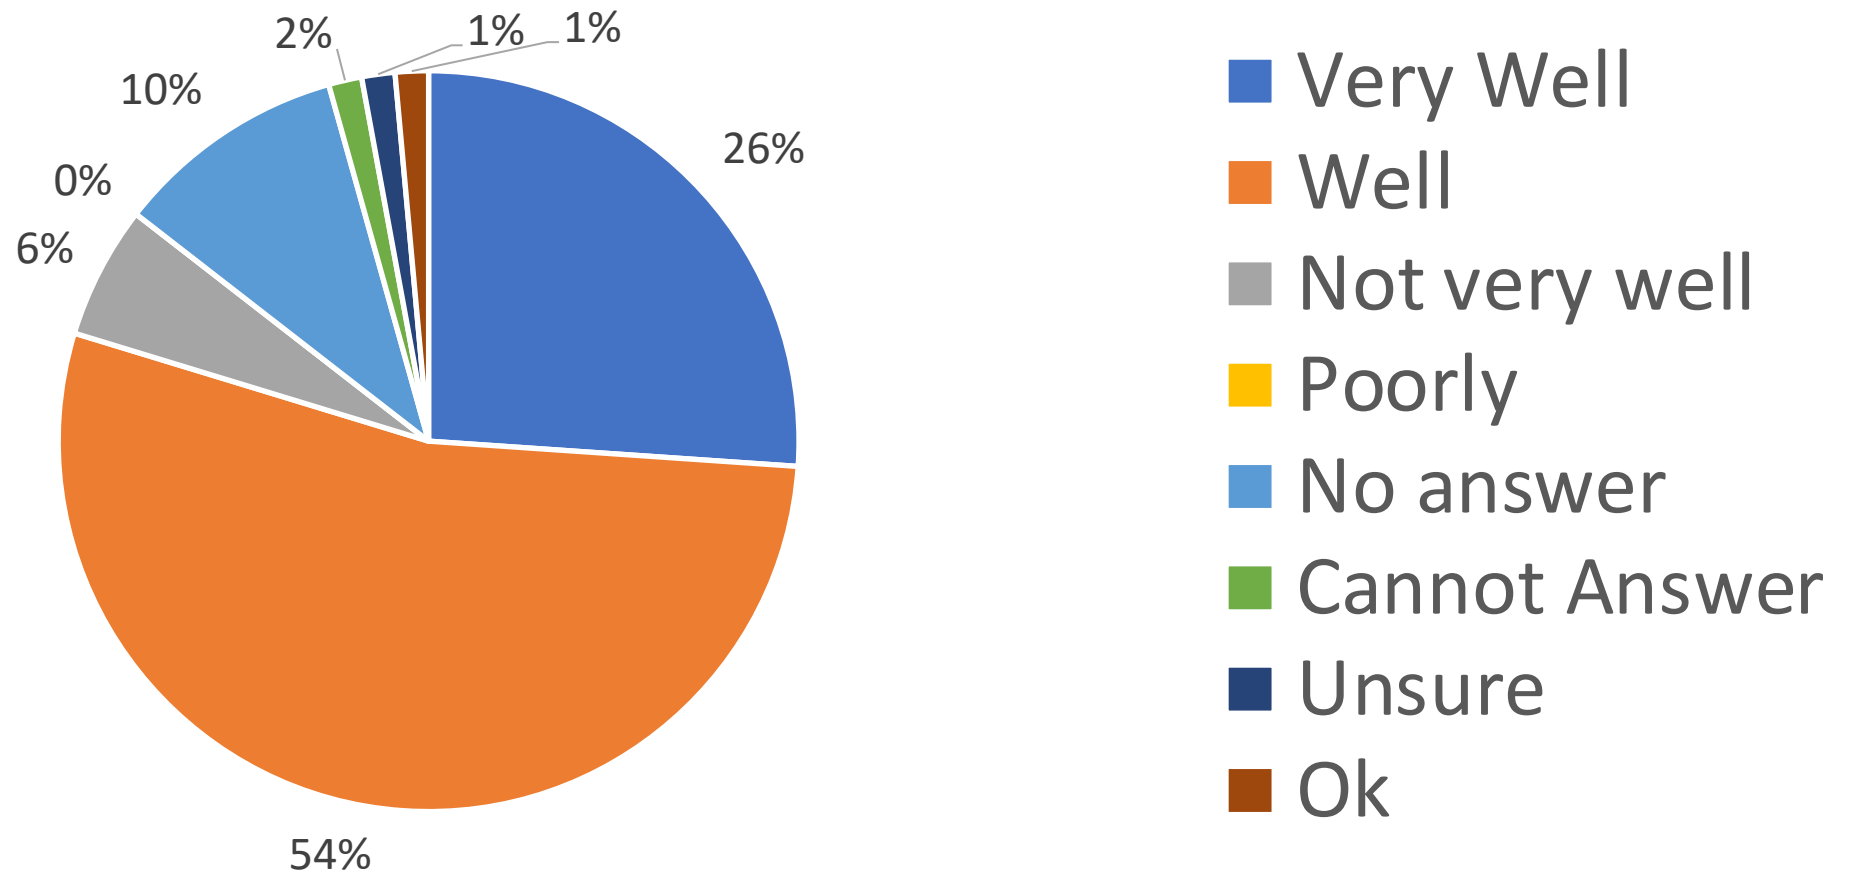

- Total in attendance: **117**
  - Beyond Civility: **101**
  - Mercantile: **16**

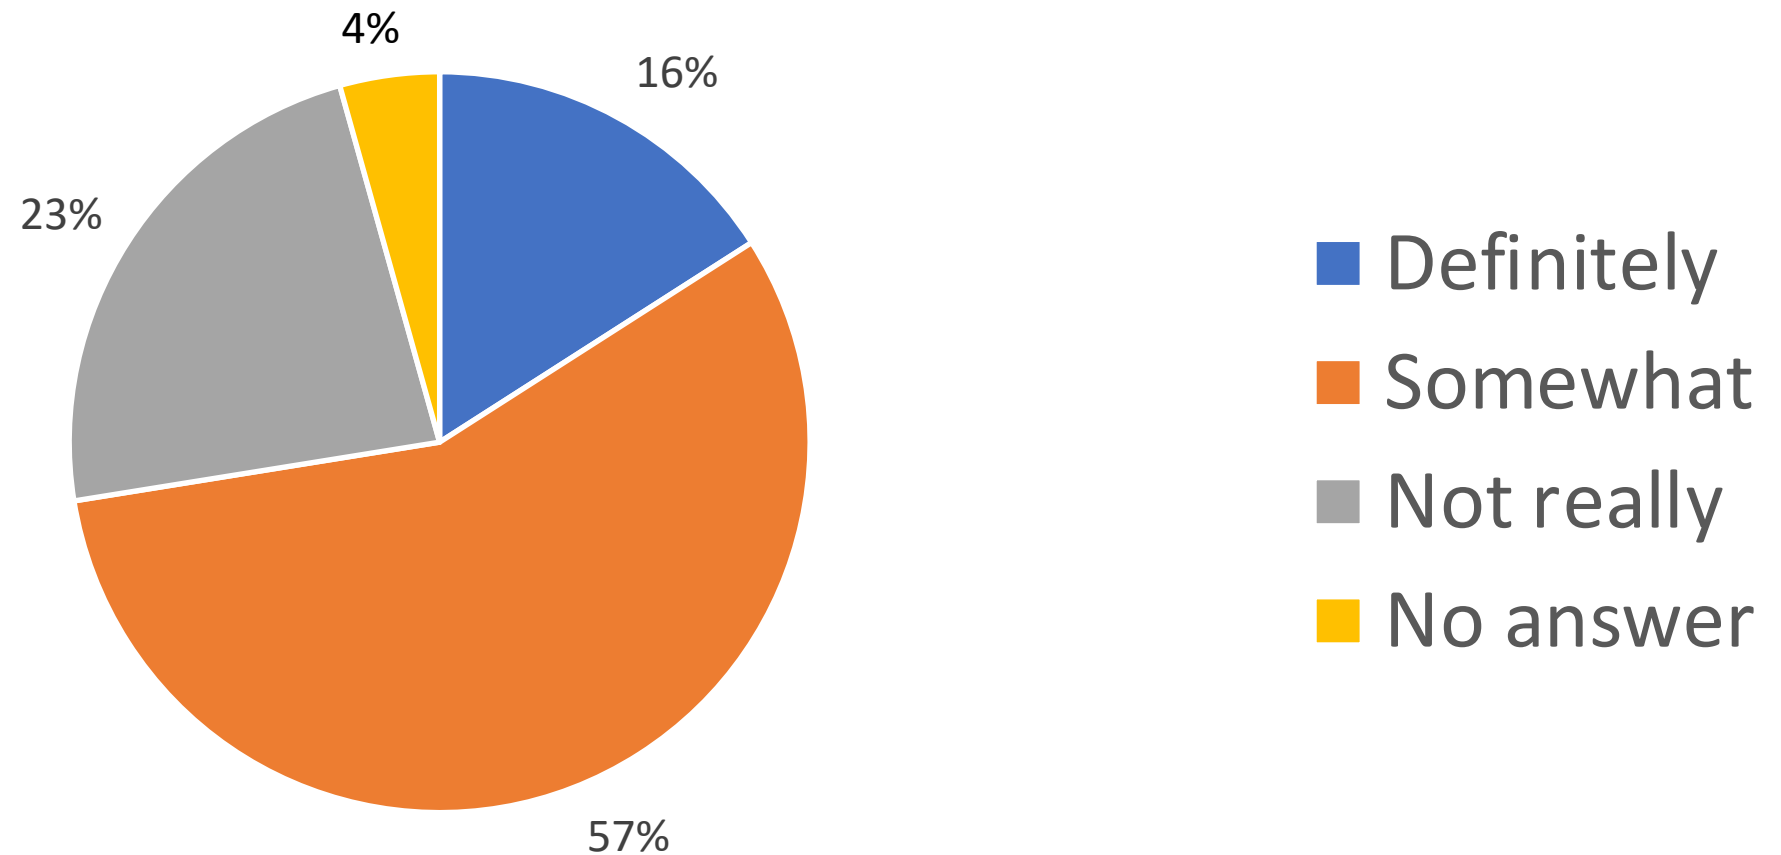

Prior to this program, how often did you consider how successful or unsuccessful we are at fulfilling the promise of the American Dream?

How well was your personal point of view on our economic spectrum (pro-capitalism, pro-socialism, etc.) represented tonight?

Did you hear or experience anything tonight that challenged your perspective about how our economic model does or should work?

# If so, how did that feel?
